

WILD ACADEMY

CODE OF CONDUCT

When I register as a player, not only am I signing to agree my membership of the Wild Academy ice Hockey Club, but I am also signing to say that I understand, and will to the best of my ability, adhere to this Code of Conduct. This also applies for players who are attending training sessions and games.

- I will participate because I want to and for the fun of it, not just because my parents or coach want me to.
- I will co-operate with and respect my coach, officials and team mates and opponents, because without them there would not be a game for me to participate in.
- I will play to the rules of the game.
- I will accept success and failure, victory and defeat, equally.
- I will resist any temptation to take banned substances or use banned techniques.
- I will always try to control my temper – both my team, and I will benefit. I understand that competition is stressful and can provoke powerful emotions but fighting and “mouthing off” spoils the game for everyone.
- I will not use inappropriate language.
- I will be a team player and encourage others to work together; if I work hard my team will benefit.
- I will set a positive example for others, particularly younger players and supporters.
- I will remember that my coaches and other officials are there to help me. I understand that while they can and will make mistakes from time to time, I must still respect their decisions.
- I will let my coach and captain ask any necessary questions to officials.
- I will remember that while it is great to win, it should be fun to play at all times.
- I will thank my coach, the officials and my parents/supporters for their time and support.
- I will respect the facilities and the property of others.
- I will follow and adhere to all club rules and restrictions which are in effect and any new rules put in effect, and stick to the code of conduct
- I will behave appropriately in the changing rooms and arena (both home and away)
- I Will Respect all involved in the club and do everything asked of me on and off the ice by the coaches, managers and club officials in relation to the club, team and my development.

Ice Hockey is a fast and often aggressive sport but there is a big difference between playing and training competitively, and the intimidation and abuse of others. The Wild Academy Ice Hockey Club has a policy of ZERO TOLERANCE towards verbal and physical abuse. Any individual found to be involved in the verbal or physical abuse of another club member may, at the discretion of the Disciplinary Committee, be suspended from the Club.
